

MORE THAN JUST PUMP SALES

WHAT WE OFFER

FIELD SERVICES

- System Monitoring & Troubleshooting
- Laser Alignment
- Vibration Analysis
- Pump & Lift Station Maintenance

REPAIR SERVICES

- Authorized Repair Center
- Vertical Turbine Repair
- Full-Service Machine Shop with Dynamic Balancing Capabilities
- Recertification Test Tank

SHOP SERVICES

- Engineered Pump Packages
- Fully Customizable Prepackaged Pumping Systems with piping, valves, and controls.
- Fiberglass Lift Stations

CONTROL & INTEGRATION

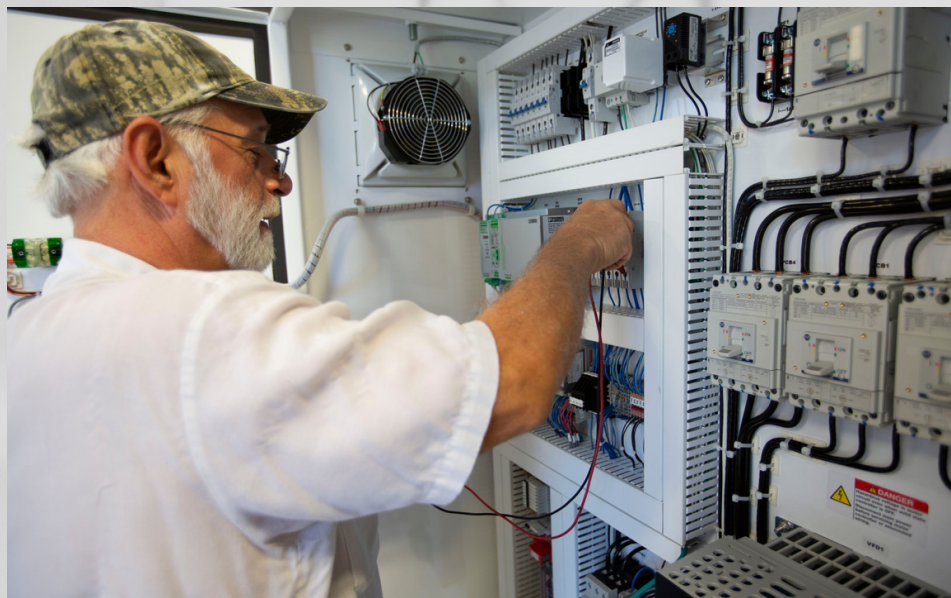

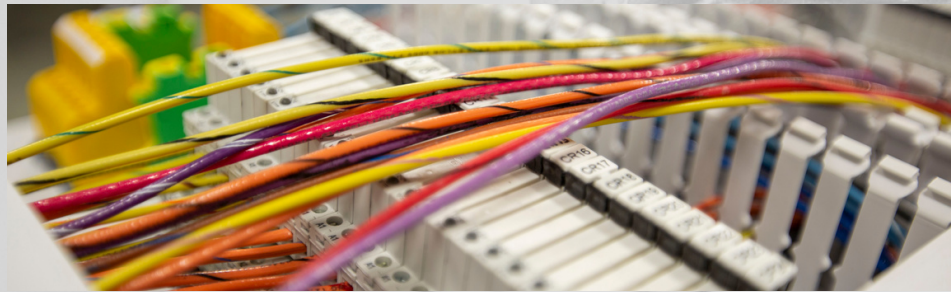

- Unitron Controls®
- Retrofit & Replacement
- SCADA Programming & Integration
- RTU Systems & Remote Monitoring
- Service Contracts & Hosting Programs
- Controls Maintenance Programs

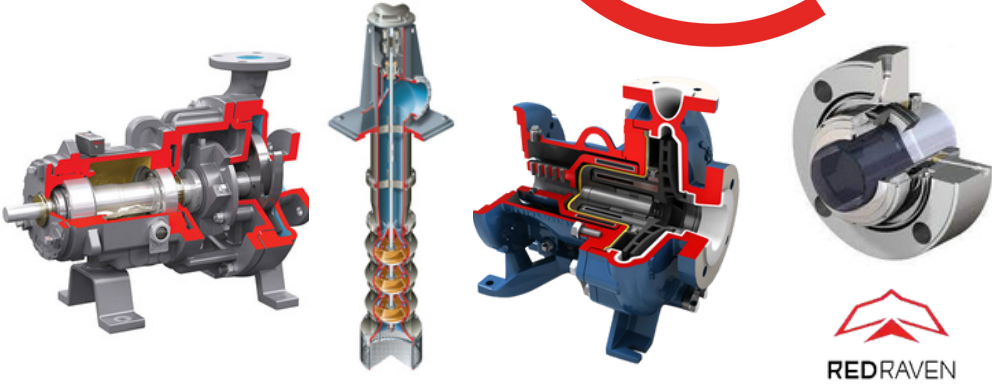

BARNEY'S PUMPS

INDUSTRIAL PRODUCTS

THREE GENERATIONS OF PUMP SALES,
SOLUTIONS, AND SERVICES

FLOWSERVE®

Complete line of ANSI, magnetic-drive, non-metallic, split-case, positive displacement, and vertical turbine pumps. Including their robust mechanical seal line, and equipment monitoring platform.

Q-Pumps

Centrifugal and positive displacement pumps for sanitary processes, and mixing systems.

TRAVAINI PUMPS® USA

Engineered Pump Solutions

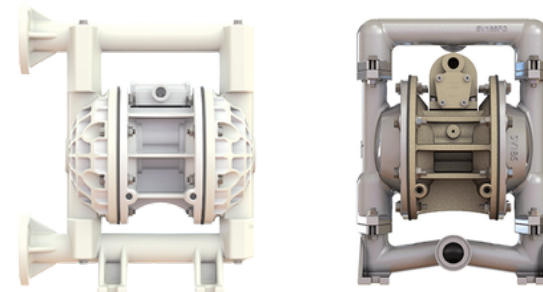

Liquid ring and rotary vane vacuum pumps and systems.

NETZSCH

Progressing cavity and rotary lobe pumps that include sanitary and aseptic units.

VERSAMATIC®

Air-operated double-diaphragm pumps in metallic and non-metallic construction.

ROOTS

Positive displacement blowers & centrifugal compressors.

amco

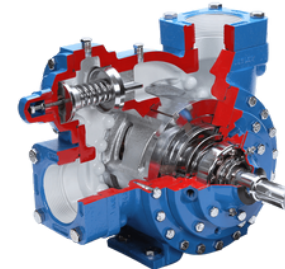

PUMP MANUFACTURING, INC.

Auto-prime and trash pumps for flooding and dewatering in mining, construction, and wastewater treatment.

Blackmer

Positive displacement rotary vane pumps for viscous or volatile fluids.

Neptune

Chemical metering pumps, chemical feed systems, and injection accessories.

FUSION

FLUID EQUIPMENT

Mixers and complete agitation systems.

BJM Pumps® STANCOR®

Submersible agitator slurry pumps and cast stainless steel submersible pumps.

PENTAIR

AURORA • HYDROMATIC • MYERS

Reciprocating high-pressure pumps and centrifugal pumps for industrial applications.
