| Department: Purchasing | Reports To: Purchasing Manager |
| Location: Lakeland | Revised: November 2022 |

JOB SUMMARY:

The position of Buyer I is key at Barney's Pumps to ensure that correct items are purchased for our customers and facilities. This position requires a proactive personality while serving the needs of our organization and adhering to the policies and procedures outlined in our Quality Assurance Manual.

ESSENTIAL FUNCTIONS:

- Process, as needed, stocking replenishment purchase orders.
- Process, as needed, purchase orders that require special order pumps and miscellaneous items.
- Attach all special pricing agreements (SPAs), drawings and needed documents electronically to the purchase order in the computer system.
- Transmit purchase orders to supplier order entry personnel or enter purchase orders into supplier website / order entry portal.
- Assist with price updates and upload templates as directed by the Purchasing Manager.
- Assist with job duties of other Purchasing Department personnel when PTO is taken.
- Review all confirmations for purchase orders to ensure that all information is correct.
- Coordinate with Sales and Engineering as needed to ensure correct items are purchased.
- Coordinate with Warehouse personnel as needed.
- Help maintain all necessary office supplies for the day-to-day operations of all departments.
- Assist other Purchasing Department personnel as needed to complete tasks.
- Assist with cycle counts and yearend inventory.
- Process return goods authorizations and credits with suppliers.
- Receive and process supplier invoices.
- Assist with basic building maintenance.
- File Purchasing Department paperwork daily.
- Help ensure competitive pricing from suppliers through negotiation or other means.

TRAVEL:

- Not applicable.

Buyer I
